Don't close the door
Don't leave here alone tonight
I've been here before
Waiting for the cold daylight.

Just wait a little longer
Just wait a little longer
Don't be running away.

Darlin' don't cry
You know my love belongs to you (baby)
Don't say goodbye
You know my love belongs to you.

Just wait a little longer
Just wait a little longer
Don't be running away.

Don't turn away
But I'm feeling like a crazy man (baby)
So much to say
Tell me something I can understand.

Just wait a little longer
Just wait a little longer
Don't be running away.
