Ev'ry night's a lonely night since you went away  
But you come back to haunt my memory  
I lie awake and think of you and how it used to be  
Oh my love don't give up on me.

The symbol of the moon above and living without you  
I can't stand this cold reality  
You alone can make me whole, our love was meant to  
be  
Oh my love don't give up on me.

In the dying embers of the midnight hour  
All these things brought me misery  
In the dying embers of the midnight hour  
Oh my love don't give up on me.

When you left I know I lost the better part of me  
But I can't blame my troubled history  
You and I were innocent, our love was meant to be  
Oh my love don't give up on me.

In the dying embers of the midnight hour  
All these things brought me misery  
In the dying embers of the midnight hour  
Oh my love don't give up on me.

Jesus came into this world so all men may be found  
In the soul of all humanity  
Ev'ry time I stumble on the road to Calvary  
Oh my love don't give up on me.

In the dying embers of the midnight hour  
All these things brought me misery  
In the dying embers of the midnight hour  
Oh my love don't give up on me  
Oh my love don't give up on me  
My sweet Lord don't give up on me.

(fade)  
Oh my love don't give up on me
