I was alone,
I was so tired, down to my bones.
And you know everything,
Every little moment had lost it's ring.

(chorus)

I found my way to you, you came right out of the blue,
And that was all you had to do, and I knew.
I couldn't get you out of my mind, you know I reached
you just in time,
I found my way to you, and it's true.

Rise up everyday
It felt like you were a million miles away.
And I lie down every night,
I needed you beside me to make it right.

(chorus)

(sax solo)

I found my way to you (Found my way to you),
I found my way to you (Found my way to you),
I found my way to you (Found my way to you),
And it's true...

I found my way to you (Found my way to you),
I found my way to you (Found my way to you),
I found my way to you (Found my way to you),
And it's true...
