A travers la fenetre
Lui la vu la pemier fois
Elle la vu a la fenetre
Reveiller de leurs sommeil

Ils sont amour
Main en la main toujours
Spirit touchantes pas d'etre separe
Ils c'est rappellerons
Tous les 'istant des les jours
Ils ont verra autre monde

Ils ont ouvert la fenetre
El a attendue touchet ca coeur
Ils ferme la fenetre
El etait ces avinir

Ils raple lacrymal, et joi de vie
C'est sentir en essence
Commes des enfants
Un autre monde
Dans la coeur de la rond
Dans la fenetre de sagesse

Pardon my French!

Look through the window
You can see another world
Clean the window
And see reality.

Through the window
You can see it for the first time
She sees it in the window
Waking up from their sleep.

They are in love
Always hand in hand
Spirits touching, inseparable
They will recall every moment of their days
They will see another world there.

They opened the window
Waiting touched the heart
They close the window
It was their future.

They remember tears and the joy of life
It is to feel the basic reality
Like the children
Of another world
In the heart of the circle (dance)
In the window of wisdom.
