Shoeshine boy, he's makin' his money workin' downtown
on Main Street
Shoeshine boy, I know it ain't funny cleanin' everything
on two feet
Get down, get down upon your knees and brush your
blues away
It won't be long 'til Saturday night and you'll be dancin'
with your lady 'til the break of day.

Shoeshine boy, don't have no ambition, just wants to be
a kerbside boot black
Shoeshine boy, your daddy's getting older, gotta take
the weight off his back
Get down, get down upon your knees and brush your
blues away
It won't be long 'til Saturday night and you'll be dancin'
with your lady 'til the break of day.

You know you feel so good when she comes to need
you
And when you're dancin' together, you just can't beat
you.

Get down, get down upon your knees and brush your
blues away
It won't be long 'til Saturday night and you'll be dancin'
with your lady 'til the break of day.

You know you feel so good when she comes to need
you
And when you're dancin' together, you just can't beat
you.

Shoeshine boy, he's makin' his money workin' downtown
on Main Street
Shoeshine boy, I know it ain't funny cleanin' everything
on two feet
Get down, get down upon your knees and brush your
blues away
It won't be long 'til Saturday night and you'll be dancin'
with your lady 'til the break of day.
