Stealin' time, I've been stealin' time  
But I don't feel guilty, cause the time was mine  
I kept down low, kept down low  
I walked right out, I had to let it go.

Stealin' time, I've been stealin' time  
Forgot about everything and eased my mind  
Stealin' time, I was stealin' time  
But now I know it's time to cross that line.

I watched the sky, watched the sky  
Every day I let the world roll by  
Sun and rain, sun and the rain  
It felt so good to know that magic again.

Stealin' time, I've been stealin' time  
Forgot about everything and eased my mind  
Stealin' time, I was stealin' time  
But now I know it's time to cross that line.

Wait my love, wait my love  
We'll soon be brighter than the sun up above  
Wait and see, wait and see  
Forget about everything except you and me.

Stealin' time, I've been stealin' time  
Forgot about everything and eased my mind  
Stealin' time, I was stealin' time  
But now I know it's time to cross that line.

(fade)

Roll on, cross that line, been so long, stealin' time  
Roll on, cross that line, been so long, stealin' time.
