Drawn like a moth to a flame
I've been consumed by the fire
I've only got myself to blame
I soulda known better
Than givin to desire
And with an arrow through my heart
I watch your image fall apart
True colors bliding me
I don't like what I see
You know you got a bad attitude
I wanna love you but you're dumb animal
Raw like diamond in the rough
I think you're pretty but you're too tough
You see the glass half empty
I see the glasse half filled
You try to tell me it's alright
You say you're gonna change you're ways
OOh baby you know you never will
You know you got a bad attitude
I wanna love you but you're dumb animal
Raw like diamond in the rough
I think you're pretty but you're too tough
I don't need your bad attitude
It's hard to love you when you're too wild animal
Raw like the diamond in the rough
I've had my fill babe enough is enough
And with an arrow through my heart
I watch your image fall apart
True colors bliding me
I'm not impressed with what I see
You know you got a bad attitude
I wanna love you but you're dumb animal
Raw like diamond in the rough
I think you're pretty but you're too tough
Get out of here with you bad attitude
I wanna love you but you're too wild animal
Raw you're like a diamond in the rough
You could be pretty but you're too tough
I don't need, bad attitude
I wanna love you, I wanna love you
Raw like a diamond in the rough
I've had my fill babe enough is enough
