I could hardly believe it when I heard the news today
I had to come and get it straight from you
They said you were leaving, someone swept your heart
away
From the look upon your face I see it's true
So tell me all about it, tell me 'bout the plans you're
makin'
Then tell me one thing more before I go
Tell me how am I supposed to live without you
Now that I've been lovin' you so long
How am I supposed to live without you
And how am I supposed to carry on
When all that I've been livin' for is gone
Didn't come here for cryin', didn't come here to break
down
It's just a dream of mine is comin' to an end
How can I blame you when I built my world around
The hope that one day we'd be so much more than
friends
And I don't wanna know the price I'm gonna pay for
dreamin'
I need you know, it's more than I can take
Tell me how am I supposed to live without you
Now that I've been lovin' you so long
How am I supposed to live without you
And how am I supposed to carry on
When all that I've been livin' for is gone
And I don't wanna know the price I'm gonna pay for
dreamin'
Now that your dream has come true
Tell me how am I supposed to live without you
Now that I've been loving you so long
How am I supposed to live without you
And how am I supposed to carry on
All that I've been livin' for is gone
Without you, after I've been lovin' you so long
How am I supposed to live without you
And how am I supposed to carry on
When all that I've been ... [fade out]
