All around the world you go  
All around the world you go  
All around the world you go  
The more you go  
The less you know, hey baby  
You'll never stand a chance  
All you're lookin' for is somebody to feed you  
All you're lookin' for is something in the air  
All you're gettin' are some trash to breathe  
The more you leave  
The more we love you, baby  
Why should you stand a chance?  
All that you love  
All that you need  
You came in for kix  
All that you love  
All that you need  
You came here for kix  
You're a super accident  
You're a major accident  
Everybody's tryin' to pay the rent  
-"Out she went!"  
It's heaven sent, hey baby  
You'll never understand

All that you love  
All that you need  
You came in for kix  
You're workin' so hard  
On your demand  
It's all about kix  
It's not that funny, is it?  
It's not that funny, is it?  
It's not that funny...funny...  
All that you love  
All that you need  
You came in for kix  
You're workin' so hard  
On your demand  
It's all about kix  
All that you love  
All that you dig

You came in for kix  
It's all in your head  
It's all in your blood  
It's all about kix
