Board a plane to Kathmandu
Talk to indians in Peru
Find out how the fire went
Was it all an accident?
Trace a modern voodoo chile
maybe Jimi's still alive
Retrospective, big intrigue
The early 80's, The Human League
She's such a good reporter - workin' for a magazine
She's such a good reporter - got a big editorial dream
Take the government to court
Is the Mayor really bought?
Who went to the Hockney show?
Michael Cain, Brigitte Bardot
Ol' Lee Harvey will never die
CIA or the FBI?
Feed sir Santa's nose a tissue
Centerfold, the x-mas issue
She's such a good reporter - workin' for a magazine

She's such a good reporter - got a big editorial dream
She's such a good reporter - watchin' from the
trampoline
She's such a good reporter - keepin' her desk very
clean
She wants political operations
She wants porno queen sensations
She wants wanted men's discriptions
And some celebrity addictions
She wants access to the ANC
She wants lunch with British Royalty
She wants the management to tell her where
She can interview Marie and Per
Shes such a good reporter...
Keepin' her ass very clean
Keepin' her nose very clean
Keepin' her laundry clean
Oooh ooh
