Apathy

Stay on my mind all the time  
On my dick cuz I rhymed  
Way before I got signed  
In the FILA's with the straps  
How you doing?  
Girl relax  
I'm a head banger, check check my check my air max

Ryu

Hey yo Ap I need a rhyme

Apathy

Come and check the backpack

Ryu

No gold digger I politely ask for cash back  
Catch a cab to the pad  
You so mothafuckin rad  
I already met ya mama while you hide me from ya dad

Apathy

I ain't in love with her but fuck for her  
Been nervous for a whole month  
Every time I cum in her  
A summer love or something snap my fingers just to  
summon her  
She slapped told me don't be acting like Apathys  
running her  
I'm done with her  
I'm done with thinking dumpin her will punish her  
The pussy pushed me to the point I almost wanna  
pummel her  
That little hussy hustled me and ran off with some  
hustler  
That's why I seem disgusted every time I start  
discussing her

Chorus

Come and talk to me  
Cuz if you know we don't care there  
There's a couple over there that I'm gonna say

Can I talk to you?  
If I decide to  
I really wanna  
Just get inside you  
Come and talk to me  
Cuz if you know we don't care there  
There's a couple over there that I'm gonna say  
Can I talk to you?  
If I decide to  
I really wanna  
Just get inside you

Ryu  
I really wanna get to know you better  
Grow old together be ya big papa  
You could be my mama like Voletta Wallace  
Look inside my wallet you could tell I ain't got a baller  
bitch  
But I'd you find a dollar you can spend it all  
All of it  
I ain't making promises or prophesizing profit  
If it's possible to talk to you I'll put some in your pocket  
boo  
I could be your dog but  
Ryu ain't no Cockapoo  
So if you want to walk  
Ima treat you like a prostitute

Apathy  
Treat her like a prostitute  
I'm H town when I'm knocking boots  
Not so rich but I'm locking those chicks  
Don't wear skinny jeans cuz my cock won't fit

Ryu  
I got ya pops so pissed  
He can't even get a wink of sleep  
Knowing that his baby girls out getting drinks with me  
Chugging Brass Monkey it always bring out the beast in  
me  
Screaming (Deez nuts) losing any ounce of decency
