Apathy:

Ladies and gentlemen

Introducing

The Get Busy Committee

RYU:

You see us coming through the door with our hoods up

Eyes low sipping on that good stuff

And you ain't gotta ask if you need a couple bags say

Daddy come and give me some sugar

You see us coming through the door with our hoods up

Eyes low sipping on that good stuff

And you ain't gotta ask if you need a couple bags say

Daddy come and give me some sugar

Kids idolize us, mothers all despise us

Cuz I keep 'em higher than the bottom of a sky bus

Try some powder sugar pie crumbs

Hundred dollar booger hooker look at you girl you're a fine one

I could make your mind numb if you so decided

You don't want to try it quiet I can make your mind up

You should come and find us who knows you might enjoy it

Choppin up a line up on the top of a toilet

Stop trying to avoid it boys and girls

Come get your poison it's funner and cheaper than a toy is

You should see my clientele I ain't saying names but

I can build a train track everybody's buying rails

True fact people at Warner are fuckin' high as hell

How can you explain putting RYU's shit up on the shelf

[Song Sample]

Apathy:

Now here is a story all about how

This old-school shit flips upside-down

See the '80s wasn't always so shiny and colorful

Living comfortable as Gucci sweaters on Cliff Huxtable

When you was in the womb sleeping peacefully to grow

I was in my womb while my parents sniffed blow

See they were teenagers misbehavers  
Who left little straws, mirrors and razors  
You think this shit is fly ain't a damn thing funny  
Someone broke into our crib and stole our Christmas  
money  
And when I was a little kid all of my bad dreams  
Consisted of cokeheads, burglars and crack-fiends  
All that glitters ain't gold I promise  
Shit was fucked up when Reagan was in office  
Food stamps, government, Jesus and cocaine  
I never knew a single soul who owned a rope chain

[Song Sample]

RYU:

You see us coming through the door with our hoods up

And you ain't gotta ask if you need a couple bags say

You see us coming through the door with our hoods up  
Eyes low sipping on that good stuff  
And you ain't gotta ask if you need a couple bags say  
Daddy come and give me some sugar
