Ryu

I feel good

Even though I shouldn't

I'm chilling so hard couldn't tell you where the hood is

I'm looking like a million bucks

Sucka I'm sorry

Jeep so clean might as well be a Ferrari

Took off the top like an African safari

Heading to the beach cuz I heard the waves are gnarly

No flip flops just a pair of old Barkleys

Got the golden ticket like I took that shit from Charlie

Hardly the day to complain

Ima save that for later

Right now I'm too busy being lazy as a gator

Even if I seen a hater

Wouldn't tell him eat a dick

Cuz my shit is hotter than a chicken incubator is

Got a smile on my face

And a roll full of dough

Feeling great cuz I just ate a hot bowl of Pho

Make a stop at the store

Grab a 40 for the road

Who am I kidding make it 2 and a pack of smokes

Chorus

I feel good

And it sounds kinda gangsta

I'm sorry but I guess it's in my nature

Vibrating got the bass all cranked up

Chilling in that '85 Samurai say what?

La la la la

La la la la

Say what?

La la la la

La la la la

Say whaaat!

La la la la

La la la la

Say what?

La la la la

La la la la

Say what?

Apathy

Man I love these palm trees
They're so different from the east
Subwoofers bumpin beats
Keep a lookout for police
Cuz I'm still drinking 40s like it's 1993
Listening to a cassette of DOC and DiamondD
Got a shirt with a koala and I'm rocking wallabees
Follow me
But it's kinda hard when I'm wobbly
Cuz the turntables wobble gotta rock em properly
Got em from my man who got em in a little robbery
And I'll sell em for a G
They're ain't shit your telling me
Cuz I know it before you say it like I got telepathy
Want to diss before you know me well I know it's
jealousy
Caught you walking down the street whistling this
melody
And I'm booming
I'm booming
Ap is so fly it's hard to believe that I'm human
More like a mutant
Start a revolution
Better start cruising
Before they start shooting

Chorus

I feel good
And it sounds kinda gangsta
I'm sorry but I guess it's in my nature
Vibrating got the bass all cranked up
Chilling in that '85 Samurai say what?

La la la la
La la la la
Say what?
La la la la
La la la la
Say whaaat!
La la la la
La la la la
Say what?
La la la la
La la la la
Say what?

Scoop Deville

Booming down the block in the drop top

Haters catch a soft spot
Cuz I does it nonstop
You ain't got it on lock
Run in to that pawn shop
Try to sell that cheap chain trade it for a small watch
Got the Uzi palmed cocked
Got the posse on deck
You ain't puffin like me
We could have a contest
Not to disrespect but I really like ya moms breast
Oops I mean ya moms fresh
I'm just being honest
It's funny all the shit that floats around in my self-
conscious
I'm pumping up my ego
People say I'm pompous
Acting like a cheif like I fucked Pocahontas
Maybe it's just you ain't used to being around bosses

Chorus
I feel good
And it sounds kinda gangsta
I'm sorry but I guess it's in my nature
Vibrating got the bass all cranked up
Chilling in that '85 Samurai say what?

La la la la
La la la la
Say what?
La la la la
La la la la
Say whaaat!
La la la la
La la la la
Say what?
La la la la
La la la la
Say what?
