After shows, all the time  
Meet the band, do a line  
Hotel room, double bed  
Empty sex and then regret

Kiss and tell, well tell a friend  
So and so would like to spend  
More time in my company  
Thinks he could fall in love with me

And I'm sorry and I hope you don't mind  
It's just it's getting late and I'm feeling tired  
And I've got better things to do tonight  
Than cultivate your vacuous desires

Three days later, there's no texts  
What the hell did you expect?  
He's only in it for himself  
For the money, for the wealth

A shallow kiss to fill a void  
A broken heart, a lonely boy  
You took advantage of his pain  
Took his dignity for fame

And I'm sorry and I hope you don't mind  
It's just it's getting late and I'm feeling tired  
And I've got better things to do tonight  
Than cultivate your vacuous desires

And I'm sorry and I hope you don't mind  
It's just it's getting late and I'm feeling tired  
And I've got better things to do tonight  
Than cultivate your vacuous desires
