We talked for hours  
And nothing made much sense  
I'm sick and tired  
Of sitting on the fence

'Cos I've been sitting here for hours  
And I thought I found the answers to  
The questions I was asking  
Now I'm not sure what they were  
Amongst the postcards of Catalunya  
And the late night conversations  
I, I can't find the hows or whys

We talk in circles  
We move in narrow lines  
I miss the gray patch  
Between the black and white

And I've been sitting here for hours  
And I thought I found the answers to  
The questions I was asking  
Now I'm not sure what they were

Amongst the postcards of Catalunya  
And the late night conversations  
I, I can't find the hows or whys

I miss the silence  
Of sitting here alone  
I think I love you  
But I'm better on my own

'Cos I've been sitting here for hours  
And I thought I found the answers to  
The questions I was asking  
Now I'm not sure what they were  
Amongst the postcards of Catalunya  
And the late night conversations  
I, I can't find the hows or whys

I can't find the hows or whys  
I can't find the hows or whys

I can't find the hows or whys
