There is nothing that I can say
That would in almost anyway
Express the frustration in my head
I don't want to get out of bed today
I don't want to face another day
Everything is better let unsaid

Because I don't want to get a job
I've stolen all that I can rob
I don't know how I will get by
Something in me thinks
I've had one to many drinks
I spend to much time getting high

Hey Hey Hey (4x)

What do you do when your done with living
But you are still alive
I don't want to kill myself
But I just can't survive

Hey Hey Hey, its a crying shame (4x)

I'm sick of doing anything
So burnt out on all the songs I sing
I just want to disappear
I'm to lazy to even fall asleep
Lying here not counting any sheep
Listening to the passing of the years

And I don't want to get a job
I've stolen all that I can rob
I don't know how I will get by
Something in me thinks
I've had one to many drinks
I spend to much time getting high

Hey Hey Hey (4x)

What do you do when your done with living
But you are still alive
I don't want to kill myself

But I just can't survive

Hey Hey Hey, its a crying shame (4x)
