Iâ€™ve been twenty one since I was fifteen  
she said with a smile as she was kissing me  
I said no, no, really how old could you be?  
She said never mind, honey, leave it all up to me.  
I said oh  
oh my god

sheâ€™s hard to resist when ever kiss is like these  
and where did you learn to swing the way that she  
swings  
itâ€™s the way she moves it makes me weak in the knees  
and thereâ€™s something strange the way that she looks  
at me

and I die  
oh I die inside  
yeah I die  
oh I die inside

she likes to mingle the pleasure and pain  
I canâ€™t say Iâ€™ve ever been one for the pain  
but the things she does all I say is okay  
I simply canâ€™t resist  
I think Iâ€™m her slave

and I die  
oh I die inside  
yeah I die  
oh I die inside

whoa whoa whoa oh oh  
whoa whoa whoa oh oh  
whoa whoa whoa oh oh  
whoa whoa whoa

and I die  
oh I die inside  
yeah I die  
oh I die inside

Iâ€™m up all night till she gets back at dawn  
I say, hey baby, why gone so long

she says oh my god not that same old song  
but when she undresses she's missing her thong

and I die  
oh I die inside  
yeah I die  
oh I die inside

whoa whoa whoa oh oh  
whoa whoa whoa oh oh  
whoa whoa whoa oh oh  
whoa whoa whoa

and I die  
oh I die inside  
yeah I die  
oh I die inside
