Looking back at what I see
All the faces that I've seen
Come and go, make a dent
But never valued what this meant

We can make more
It's up to us to take control
Building on from what we share
Nothing else can ever compare

SOMETIMES YOU'RE LOS

But you can turn to me
TURN TO ME
You can fucking count on me

When the world is looking so bleak
This shelter is the only thing FOR ME
When it feels like this room is all we have
CAN WE MAKE IT LAST?
I'm proud to say I'll try
