Hell Yeah!  
Why Did The Statues Crumble?  
I Know You're Better Than This  
I Know a Better Way  
I Know It's Better Than This  
They Say It's Only In Dreams  
I Say It's What We Obsess  
Open The Vault

To See Myself  
Falling Down  
There Must Be a Better Way.  
They Retreat Back to the Hills  
Where all Their Troubles Belay  
OPEN YOUR MOUTH  
SO THE POISON REPELS

To See Myself  
Falling Down  
There Must Be a Better Way.  
They Retreat Back to the Hills  
Where all Their Troubles Belay

OPEN YOUR MOUTH SO THE POISON REPELS

Yeah!  
Free the Commodore  
I Know the Way  
A Better Way Than This
