Silence in Your Cries

Silence in Your Cries

OH!

Break This Silence

Break This Silence

Break This Vow

Sound The Alarms, I Am the Motion,

This Feeling Is Here to Stay

You Can See Me Now and You're Not Running Away

I Fear The Sound

Rising Over The Towers

Call Us To It

Silence Savors It All

I Fear The Silent Savers

Just Ride it Out

Just Have A Go

Just Let Her Go

You Can Find Me In The Backseat

Through The Window

OH

Through The Window

Through The Window

You Can Find Me In The Backseat

Through The Window
