I Saw the Flames
In the Horizon
I Brought the Pain and
I Sought the Horror

I Fought the Masses
And I Surpassed It.
I've Slain the Weak And
I Had the Power
Yeah!
Hey Man Get Outta the Way
We're Revvin' Up Our Engine This Way
Gonna Ride Ya Down
Gonna Make Ya Pay
On and On and On

Oh Ashes Burn
Oh Badges Earned

We're All Fine and So Concerned.
Follow Their Retched Ways
I'll Find the Breathe To Go On
So We Can Capture Them Alive
Capure Them!
Capture Them Alive

Come on!

But Their So Far Away
And I'm Held Captive Here

Hold Back All Your Fire
Theres more to Life Than This
I'll Keep In All My Judgment
I'll Hold In All My Fear
Hold On To What Is Golden

And All Those Wasted Years

False Remorse
To The Spoke and Heard
Hold Back All Your Fire

I See The Flag and Smoke
Through a Fiery Hell

This Is My
This Is My Rebel Yell

I'll Lead A War To Break Out.
I'll Find The Militias Footsteps
I'll Have The Breathe To Go On
I'll Have To Capture Them Alive
Capture Them!
Capture Them Alive!

GUITAR!
(Guitar Solo)

WHOA!
(Chant)

I Will Fight Till' They Fall
Right from me

I Saw the Flag
I Saw It Burn

I Came Fight
I Came To Win
We Conquered All

I Am Too Young To Die
But I'll Never Know!
I Will Stand By Your Side
But Never Follow
We Conquered All!
