The way you look at me  
The way you touch me  
The fire are in your eyes  
(I swear) Makes me shivers inside  
There's nothing I can do about it  
'Cause nothing seems so truth  
When I'm beside you  
And my dream  
Of all thing is all in my hand  
Naked, perfect, so beautiful  
You turn me up and down  
I was spinning round and round  
You never get enough, baby you don't  
You're a shining star

The way you look at me  
The way you touch me  
The fire are in your eyes  
(I swear) Makes me shivers inside  
There's nothing I can do about it  
You're my soulmate, my summer and my faith  
You fill me up with love  
Your kisses are better than wine  
There's nothing I want more than you, girl

The way you look at me  
The way you touch me  
The fire are in your eyes  
(I swear) Makes me shivers inside

There's nothing I can do about it  
You're my soulmate, my summer and my faith  
You fill me up with love  
Your kisses are better than wine  
There's nothing I want more than you, girl  
You turn me up and down  
I was spinning round and round  
You never get enough, baby you don't  
You're a shining star

The way you look at me  
The way you touch me

The fire are in your eyes  
(I swear) Makes me shivers inside  
There's nothing I can do about it  
You're my soulmate, my summer and my faith  
You fill me up with love  
Your kisses are better than wine  
There's nothing I want more than you, girl  
You're my soulmate, my summer and my faith  
You fill me up with love  
Your kisses are better than wine  
There's nothing I want more than you, girl
