I cant seem  
To set this free  
Take my time back  
When there were no regrets

All these lies coincide  
With your lives  
The two of you cant see  
Its different with me  
I must choose  
But either way Ill lose  
And try I might  
I cant win this fight

Hold me close  
Who needs me most?  
Please be kind  
And lets rewind

All these lies coincide  
With your lives  
The two of you cant see

Its different with me  
I must choose  
But either way Ill lose  
And try I might  
I cant win this fight

Im sorry I did this  
But I had no choice  
I cant believe my voice  
Was lost over this

All these lies coincide  
With your lives  
The two of you cant see  
Its different with me  
I must choose  
But either way Ill lose  
And try I might  
I cant win this fight
