Let me hear a stone croak,  
I ain't wit being broke  
I'm tired of my mother bustin ass for other folks  
gettin nowhere fast  
while the ho on the corna makin mo money selling ass.  
I ain't wit this outfit, I gotta make some moves to by t  
jones some nice shit.  
???? workin on som////da week  
It don't even fuckin make ends meet  
I worked down on main st.  
Dimes in my stomach cause I ain't had nuttin eat.  
So how the fuck am I supposed to think  
when I'm in a funky sweatsuit and still bitchin to meet.  
My ass is put and I booked non stop  
Make the swap and go shop.  
I say this and say that and every other note, I ain't wit  
being broke.

Chorus:  
Money, OH Money  
I ain't witn being broke  
Got ta get my hands on some.

repeat.

Chorus: Bushwick

I was born in a cheap ass hospital  
from the fifth ward, stuck right in the middle  
of a rock and a hard spot, before my dad got that ass I  
was already counted out  
what a mutha fuckin pity  
mama couldn't afford milk so we had to suck her titties.  
every night in the kitchen I'd see, rats and roaches  
eaten bettan me.  
there was no thanksgiving, they say I'm a fool for  
thanking god for living,  
but being broke ain't no mutha fuckin joke back in 91  
shit just ain't happenin  
foo.  
I never had a goddamned thing christmas came and  
went, without a choo choo

train, in the geto, gifts get stolen or bought ain't no  
mutha fuckin santa  
claus.
