Gangster of love

I've never been played by a ho!  
If the bitch is acting stupid,  
She's got to go!  
Some mutherfuckers [missadden']  
If she fucks with me, i'ma kick her little monkey ass!  
See you hoes got it wrong!  
Think that if some nigga says he loves you he ain't  
strong.  
Bitch you take the shit the wrong way.  
And I can tell right now. it's gonna be a long day!  
I got to educate you brothas  
If the bitch won't give up the play  
Fuck her!  
Move along to the next trick.  
See I'm the type a nigga that tell a ho  
"suck dick!"  
What if she's not suckin'  
That's a waste of time  
Conversation and my fuckin'  
I just put my fuckin pants on  
And tell the idiotic freak  
To take her tramp ass home!

Cause I don't need a fuckin dumbie!  
I need a bitch to lick nuts  
Until my dick is cummy  
And after that your wearin your gloves  
Ha ha... just call me the gangster of love.

I like bitches  
All kind of bitches,

To take off my shirt  
And pull down my britches  
If she's got big tities  
I squeeze 'em and hold'em  
While she suck my dick and lick my scrotum  
And if she got a friend I'll fuck her too  
Together we can play a game of swi-cha-ru  
I ain't the type who gets all mushy

I like to sit back  
And watch them eat each other's pussy!  
Weak people might say we're insane  
But that's the other fuckin' level of the game  
I'll turn your sister out if she fucks with me  
You want to know my identity? ? ?

Bitches look at me like I'm a faker  
Knowing goddamn well  
I'm a mutherfuckin heartbreaker!  
I'll have them crying for months  
Cause I done fucked their best friends  
And put a whipping on their cunt  
They have their mothers to call  
But if fucked one mom  
You done fucked them all  
And I really don't give a fuck  
Cause if your mom offers me the pussy  
She's stuck  
Now thats the type a nigga I am  
Im always game to run a train  
Goddamn!  
Six different hoes a night  
I use lubricated rubbers  
To make the pussy feel right  
Better safe than be a vicitm  
If you got a jimmy hat  
Go head and dick em  
I put the pussy in it's place  
And right before I nut  
I pull it out then to the face  
And tell the bitch to keep suckin  
And prepare herself for her first butt fuckin  
And when I'm done--straight to the tub  
Just call me the gangster of love.

I'm a mutherfucker  
I put a bitch through a test.  
If she don't pass, she don't get blessed!  
If the test consist of  
Fuckin my whole crew  
Well bitch, goddamnit that's what you gotta do.  
You say you want to be down with willie-d  
But yet you find it difficult to listen to me  
Everytime you fuck up and skip a class  
I'ma put my goddamn foot in your ass  
And if your father wants to buck up  
I'll beat the wrinkles out the old mutherfucker  
I treat a bitch like a queen,  
But she's got to realize I'm the goddamn king  
Some jealous punk in town

Told my girl I was fucking around and she's still down.  
To do the same  
You've got to have game  
You want to know my name? ? ?

[side]

Say b

You what's up dee

All the hoes mad 'cause we ain't paying for the pussy  
fighting over their asses

And shit! yup that's that other level of the game again.

Damn straight!

While we on the subject of hoes, whatever happened to  
the hoe you used to fuck

With

Named cathy? ? ?

[song again...]

Ok cathy

That hoe was hot.

The first peace of pussy that I ever got!

She fucked me till I was coming

Put my nuts in her mouth

And started humming

I said shit comense the checking

She started scratching my dill-bag

And said hold up a second.

Turned me over on my back gold.

Opened up my butt cheecks

And started licking out my asshole

That's why I guess that I'm the gangster

And oh kathleen johnson sweetheart

I'd like to thank you

Little hoes out there are getting stuck,

By niggas like me and we really don't give a fuck!

Big-ass titties are the sexy switch

Whatever you get, you deserved it bitch!

See ummm,

I like to take'em fast.

Pretend I lovem

And dog their motherfuckin ass.

Like for instance ms. "p"

The bitch ran a game

And tried to fuck over me

But I sensed it in the making

Talking about she's pregnant

From me or that jamaican? ? ?

She said me of course

So I drug her little ass

Like a mutherfuckin horse.

That's what you get for tryna play me  
I'll kick the bitch  
Right dead in the ass  
If she ever says we  
Made a kid when I make it  
I'll grab her vile her mutherfuckin' neck  
And try to break it!  
Cause I knew I wore a fucking glove  
You know who you fuckin with bitch? ? ?
