Shit, tired as
Need some pussy, badder than a motherfucker
See if this bitch is home

Hello?
Hello darlin' how you feelin'? It's Sax
Fine, how are you?
Ahh, just maxin'
Been thinking of you

Yeah? Well, let's get together
Okay
Let me take me a shit, and I'ma meet 'cha at Eleven
Oh yo, bring a friend, I gotta buddy wit me

Ain't got no friend
What?
Just come and get me
I guess you know what's up
Yeah, I know what's up

I ain't down for a love affair, I just wanna fuck
Better come get me
Yo, don't bullshit me, she thinks I wanna long one
But I just want a quickie

Knocked on her window, didn't wanna wake her parents
Came to the door and the bitch was just starin'
Come on, girl, yo what the fuck is up?
Why you rushing?
You rollin' with a nigga bitch or what?

Walked out lookin' kinda sexy, jumped in the vehicle
And you know what happened next D
Took her about an hour to get hot
But once I got her started it was hard to make her stop

She started making noises and then the heavy
breathing
I started suckin' the tits and rubbin' the pussy
Easy, ha ha ha, but anyway

She was more like beggin' and pleadin' for the fuckin'
Unzipped my trousers and then started suckin'
Had me sayin' shit, I grabbed her by the sweater
She wanna lick my booty, I guess I better let her

Once I came, I didn't want the bitch to kiss me
She thought I wanted a long one but I only wanted a
quickie
Ha ha ha ha ha ha, word, yeah

Drove her back home, she was lookin' kind of frantic
I gave the bitch some dick, I couldn't understand it

Ay yo, what's the problem?
I didn't even cum, I shoulda stayed home
Yeah, but I'da still got me some
Pull it together, get your shit and go

She looked me in my eyes, shook her head and said,
"No"
She'd of killed me if I didn't fuck her right
So I got on that ass and fucked the pussy all night
She was scummin' hectic two nuts at a time

It really didn't mater, 'cuz man, this bitch was fine
She was slippin' off the seat so I caught her
The girl had the looks that made me wanna fuck her
harder
Grabbed me by my head, she was moanin' and prayin'

Opened up some more and fucked her in the ass
The bitch was gettin' married but all that shit was fine
I gave the girl a fuckin' that would last a life time

Ooh, when I get home, my girl is gonna get me
It turned into a long one but I only wanted a quickie
