This goes out to you H O E's  
Swangin' on the nuts of us motherfuckin' G's  
You ain't never seen a nigga like me baby  
Big Mike aka Big D D

Big dick daddy, droppin' you hoes in the sack  
Bustin' nut after nut on your motherfuckin' back  
If your nigga wants to make love to you, cool let a  
nigga know  
'Cause a nigga like myself just wanna fuck you hoe

And if you don't want him to know I won't snitch  
You can be his girl but you know you'll always be my  
bitch  
My freak my hoe my tramp my moneymaker  
Keep yo bitch right or a nigga like myself will take a  
smooth  
Off the S L A B

And why you trippin' you know your bitch will be rollin'  
with me  
So to ladies and everyone throughout your crew  
Give a smile in the mean watch out  
This dick is for you

I, bitch I just want to fuck you  
Dick, sucked the whole night through  
Ass, licked as if I was a star  
This dick is for you baby, wherever you are, hey

Bitches I scoop them up like jacks  
Stack them like racks and send them home with their  
pussy off tracks  
'Cause they be figuring me to be a light weight  
But if it gets 'em into the bed, then that's okay

'Cause when I get them, I'm doin' damage to that pussy  
hole  
Not only do I fuck the body but I fuck the soul  
What other nigga do you know that can handle this  
Hijack the pussy from the back and dismantle it  
It sounds kind of difficult but it ain't

The only difficulty that occurs is when the pussy's stank  
'Cause then I'm a have to send you home and throw  
you in a ditch  
Or leave you for the garbage man you unsanitary bitch  
So spread your legs wide open boo  
And let a nigga like me get down 'cause this dick is for  
you

I, bitch I just want to fuck you  
Dick, sucked the whole night through  
Ass, licked as if I was a star  
This dick is for you baby, wherever you are, hey

Bitches say I talk bad 'cause I'm real  
And to me expressin' myself is tellin' a bitch just how I  
feel  
I had a couple of women in my life but yo  
In 1992 I realized that they was hoes

'Cause hoes will straight up do hoe shit  
Bitches even more shit and ladies will give you no shit  
So I kicked back and played the hand that I was dealt  
Peep game in the mix and let these hookers play them  
self

'Cause 80 percent of the bitches I meet ain't shit  
But money bandits, I front like I'm giving up bank  
Stick dick in they ass, and leave 'em stranded  
But for women, I got a better tactic 'cause I love them

They come to Mr. Brad 'cause their mistreated by their  
husbands  
So I hook up shit to make it right just call me tonight  
And I'll make sure that everything runs tight  
'Cause if he don't appreciate you boo the way that I do

You need to let him run back to his crew  
'Cause he don't understand what you goin' through  
But regardless to who I screw  
This dick is for you

I, bitch I just want to fuck you  
Dick, sucked the whole night through  
Ass, licked as if I was a star  
This dick is for you baby, wherever you are, hey
