On this birthday

I dream away

It's a pile of hay

In my bed

Everyone is missing from my TV screen

It's just electric snow for miles and miles we take a walk

On this birthday

I seize the day

Got my things all packed

In my Cadillac

I'll take it for a ride all down the line

Hope to run into you we'll waste ourselves on the endless truth

Oh what a drag you had to go

Oh you don't know just what I know

Oh what a drag you had to go
On this day of birth

I'm down to Earth

Hear the radio

On an asphalt road

I know they're coming soon so what else can I do

I'm just in love with you that's all the bad and all the

good
