GG - Island Girl

Fiya Island gal
Lick 'em de fiya gal
Let 'em bal
Let 'em drool
Caus dem can't get over

Shake up yuh waist
Move up yah shoulder
Let yah bottom move like
a motor roller

Lick 'em with yah moves
Aaah let yah body move

Around de room
Like a big bulldozer

There is an Island gal in de ring
The best thing happening
There is an Island gal in the ring
Who can stand the sting,

Tear up de place
Print yah name
Let dem know you was here,
when the rub a dub over.
