On your knees cunt  
I kick you in the face  
Do what I fucking say  
Or I'm gonna slash your face  
You worthless two-faced cunt  
With your nose in the air  
I'll break your fucking nose  
And shit all over you

Sit on my face bitch, til I get off  
Be my fucking whore  
When I'm done I'll piss in your mouth  
Be my fucking whore

Sit on my face cunt, til I get off  
When I'm done I'll light a cigarette  
and piss in your mouth  
And I'll kick you, you fucker  
You're just a piece of worthless shit  
You're nothing to me  
Just get down and suck it

Suck it, suck it  
Be my fucking whore  
Get, get down and  
Be my fucking whore  
Be my fucking whore  
Be my fucking whore

Be my fucking whore  
Be my fucking whore!
