Beat, beat, beat, be my beat girl
I don't care if it hurts, I'll start to scream
Beat, beat, beat, beat on me
Come on bitch and take a chance
Beat, beat, beat, beat on me
Get yourself a treat

Beat, beat, beat, beat on me bitch
If it squirts, I'ma start to itch
Beat, beat, beat, beat on me
Come on over here and
Beat, beat, beat, beat on me
I'ma start to scream

Beat, beat, beat, beat on me bitch
I don't care if it starts to itch, no
Beat, beat, beat, beat on me
Come on over here and you'll see
Beat, beat, beat, beat on me
Get yourself a treat
