B-l-o-o-d-s-h-e-d now!

I pledge allegiance to disobedience
For which I stand
One nation swimming in blood
One nation living in sin
Death on every city street corner
No laws to keep us down
Every church a slaughterhouse
Every courtroom a vicious shoot out

A pig hanging from every flagpole
A knife shoved up the systems asshole
No future for the moralists
No future for the weak
From the shadows within my soul
I cry for brutality and bloodshed for all
