It's getting hard, it's coming too
Hard candy cock just for you

Suck, suck, suck, suck, suck, suck
Hard candy cock, hard candy prick, hard candy stick
Stick it in your mouth, don't take it out

You want me, I want you
It's no romance, just fuck and screw

Suck, suck, suck, suck, suck, suck
Hard candy cock, hard candy prick, hard candy stick
Stick it in your mouth, don't take it out

Suck, suck, suck, suck, suck, suck
Hard candy cock, hard candy prick, hard candy stick

Stick it in your mouth, don't take it out

It's getting hard, it's coming trough
Hard candy cock just for you

Suck, suck, suck, suck, suck, suck
Hard candy cock, hard candy prick, hard candy stick
Stick it in your mouth, don't take it out
