[Chorus:]

I wanna fuck your brains out
I wanna stick my cock in your mouth
I wanna fuck your brains out
I wanna stick my cock in your mouth
You walk right by with your nose in the air
Shakin' your ass in the smokey air
Your skin tight pants really make me hot
Gonna beat my meat another night
You make my tongue so hot and greasy
I wanna fuck you and I don't mean maybe
You put me in a fuckin' state
I'd like to get your pussy ate
You're a real hot bitch I'm a real cold bastard
You get fucked up and go to the pasture
I show you what I'm gonna do
I'm gonna stick my meat in you

[Chorus]

Drink your piss to see *[UNKNOWN]*
I lick your shorts *[UNKNOWN]*
Sit on my face and give me some head
Just like a fuckin' record said
Your tongue is gettin' to me
I wanna fuck you in the *[UNKNOWN]*
I wanna get you down on the fuckin' ground
I wanna take my tongue and go around

*You bring me to a fuckin' state
I'd like to get your pussy ate
You look me in the eyes I don't care
I want you*

[Chorus x2]

*I'm a real hot bitch I'm a real cold bastard
I wanna fuck ya in the cow like the pasture
I wanna stick it in the fuckin' ass
I'll fuck ya in the barn I'll fuck ya in the grass
I just don't give a fuck
I'm so down on my fuckin' luck
I don't like you but you gimme a blow
I don't care*

Cause your hair just smells like cherry
You ain't no fuckin' Mary
You're fuckin' the Virgin Mary
Oh yeah

[Chorus x2]
