I wanna piss on you, I wanna piss on you
You ain't shit to me, 'cause I'm better than you
I wanna shit on you, and rape your little sister too
I wanna piss on you, my pecker has a yearning to

I wanna piss on you, I wanna piss on you
Shit in your mouth, piss on you
Fill your mouth with super glue

My glands can't hold it in, I've got an Uncle Yen
Wanna pull it out again, and urinate on everyone
I wanna piss on you, my peckers got a yearning to
Gotta pull it out again, and urinate on everyone

I wanna piss on you, fill your mouth with super glue
I'll piss on you and your sister too
I wanna rape that bitch

Piss, piss, piss on everybody, yes
Piss, piss, urinate, piss 'till your face is yellow, yea
Your hair is yellow, it's dripping down your chin

It's going in your mouth again
I wanna piss on you, I hope you drowned, I hope you do

I wanna piss on you, fill your mouth with super glue
I wanna piss on your mother too
And rape your sister, she is so cool

I wanna piss on you, everyone should be pissed on
I wanna piss on you, I hate you, I wanna piss on you
I wanna shit on you, piss on you and rape you too
I wanna piss on your brother, wanna piss on your father
too

I wanna piss on you, wanna piss on you, you, you
I wanna piss on you, piss, piss, piss, piss, piss on you
