I'm from the real underground
Don't fuck with me, I'll beat you down
The final frontier, no fakes allowed
If you fuck with me, I'll slice your fucking throat

If you fuck with me
If you fuck with me
If you fuck with me
I'll slice your fucking throat
I'll slice your fucking throat
I'll slice your fucking throat

If you in my gang, you gotta be real
No crossover mainstream sellout deal
A rock 'n' roll revolution is my plan
Kill the corporate business man

If you fuck with me
If you fuck with me
If you fuck with me
I'll slice your fucking throat
I'll slice your fucking throat
I'll slice your fucking throat

Put danger in the game, a bullet in the brain

Down in the streets is where the real deals play
I'm hard like stone, not a hypocrite for cash flow
If you fuck with me, I'll slice your fucking throat

Hey bad niggers with your hand in the pot
Heavy metal phonies with your tricks and props
Black nigger, white nigger, honky cats too
If your not in my game, your gonna die too

If you fuck with me
If you fuck with me
If you fuck with me
If you fuck with me
I'll slice your fucking throat
If you fuck with me
I'll slice your fucking throat

If you fuck with me
I'll slice your fucking throat
