To the cunt in Minnesota, I cracked your skull fuck you
'N in Chicago niggers tried to kill me, but you didn't pull
through
Fuck you all in Philly, I was just too fast for you
And all you fuckers in Boston, I got something up my
ass for you

Do me your doctor teller, motherfucker
Don't turn your back on me I'm a, I'm a motherfucker
I cheat, I lie, I'll destroy your life, I'm a motherfucker
I'll steal, I'll rape, I'll break your face, I'm a
motherfucker

I remember your vagina, little cunt in Carolina
You all down in Texas way, you tried to stab me, no way
In the wreck of the New Jersey ring, we stuck it to you
You cried for us to stop, but we fucking raped you, you
fucking cunt

Call me trash, I'm a motherfucker
I ain't gonna kiss nobody's ass, I'm a motherfucker
I'm a slut, slut smelly faggot freak, I'm a motherfucker
And I don't fit in nobody's scene, I'm a motherfucker

I'll fuck you over I don't care, I'm a motherfucker
Eat my anal cavity here, I'm a motherfucker
I'll use you up until I'm through, I'm a motherfucker
To get what I want I'll step on you, I'm a motherfucker

In New York city with a knife in your throat, I shit on you
I kicked you in the fucking face, I stole from all of you
Spent some time in emergency rooms, for calling me
to Dallas
Many nights we've spent in jail, but they just can't
fucking nail us

I'm a penny waiting for change, I'm a motherfucker
And I hate every fucking thing, I'm a motherfucker
And I got split personalities, I'm a motherfucker
There's a bomb ticking inside of me, I'm a suicidal
motherfucker
