Everybody's got something to do.
I've got nothing but this dirty room.
Everybody's got some kind of job.
Everybody's got someone to love,
not me I'm livin' like a dog
Livin' like an animal X 3
I'm just runnig wild in the street.
You might look at me and see a creep.
You might think I'm twisted in the brain.
But I don't care 'cause me you'll never tame.
I'm livin' like a rangutang.
I just wanna drink and race in hell.

I never take a bath, I'd rather smell.
Don't be anyone that drag me down.
The savage piece in me is on the run.
I'm livin' like an animal.
