I see the lightning in the background, a little thunder in
your roar

I know you want it harder and faster, so louder and
louder it goes

We'll make you scream for mercy, we'll give you this
and more

We'll blow out the walls and raise the roof, we'll give
you a louden boomer

Louden boomer makes you feel the thunder roar

Ear splitting like you never heard before

If you feel like screaming let me hear you say... hey!

Nobody's stopping us or getting in our way

C'mon lets scream for the Heavens, and shake the
gates of Hell

I'm the master of disaster, I wanna put you in my spell

Coming down like a hammer, gonna cut you like a knife

We're gonna get so crazy, take it to the heights

Louden boomer makes you feel the thunder roar

Ear splitting like you never heard before

If you feel like screaming let me hear you say... hey!

Nobody's stopping us or getting in our way

Louden boomer makes you feel the thunder roar

Ear splitting like you never heard before

If you feel like screaming let me hear you say... hey!

Nobody's stopping us or getting in our way
