Well, I never had VD on my PP
Hope your pissed 'cause I'm really drippy - Yes I do
Pulled out my burning pecker and out came the puss
Though it hurt, but I was devoured by lust - Oh, what a
fuck

Needle up my cock, and I can't get fucked
Needle up my cock, what fucking luck, fucking luck,
what fucking luck

Got it from her, and I'll give it to you
Bring along your sister, 'cause that will make us two
'Cause she's got the crabs, and I want 'em too
Pulled out my pecker, girl, I'm gonna slide into you

Needle up my, yea, yea, needle up your ass
I wanna, I wanna stick it in, yea

Needle up my cock, and I can't get fucked
Needle up my cock, I can't, I can't get fucked, can't get
fucked

Get that fucking needle out of my cock
It hurts so much, but I was devoured by lust
I like to get fucked

Needle up my cock, and I can't get fucked
Needle up my cock, what fucking luck
Needle up my cock, and I, I can't get fucked
Needle up my cock, what, what fucking luck

I got it from her, and I'll give that shit to you
I don't need my pecker running with puss or goo
I just got VD, didn't know what you had
I knew it smelled like shit, but I, I had to try my best

Needle up my cock, what I got from you
That's all you gave me, bitch, and I don't fuck you

Needle up my cock, and I can't get fucked no more
Needle up my cock, 'cause I fucked some, fuck some
whore

She's a fucking whore
