Raw, brutal, rough and bloody
Raw, brutal, rough and bloody

Everything I do, I do to the extreme
Self mutilation, that satisfies me
Raw, hard, sleazy and cruddy
Raw, brutal, rough and bloody

Raw, brutal, rough and bloody
Raw, brutal, rough and bloody
Raw, brutal, rough and bloody
Raw, brutal, rough and bloody

I'm like a hammer, I'll pulverize you
I have no remorse for hurting you
I don't have time to waste on study
Raw, brutal, rough and bloody

Raw, brutal, rough and bloody
Raw, brutal, rough and bloody
Raw, brutal, rough and bloody
Raw, brutal, rough and bloody

I'm hard on myself and harder on you
I'll break your neck if you push me to
In the combat zone, you'll find me buddy
Raw, brutal, rough and bloody

Raw, brutal, rough and bloody
Raw, brutal, rough and bloody

Raw, brutal, rough and bloody
Raw, brutal, rough and bloody
Raw, brutal, rough and bloody
Raw, brutal, rough and bloody
Raw, brutal, rough and bloody
Raw, brutal, rough and bloody
Raw, brutal, rough and bloody
Raw, brutal, rough and bloody
