Scars on my body because of self destruction
I got scabs on my prick because of my erection
I'm gonna cut my body 'till it starts to bleed
I'm gonna beat my prick to a sleazy magazine

I can't get enough of the pain I inflict
Scars on my body, scabs on my dick
Can't get enough, the pain I inflict
Scars on my body, scabs on my dick

Scars on my body, whiskey and drugs my blood
The next think you know, my right hand is on my pud
I can't get enough of the pain that I inflict
I got scars on my body and scabs on my dick

I can't get enough of the pain
I'm gonna beat my dick
I can't get enough of the pain that I inflict

Scars on my body, scabs on my dick

Scars on my body because of self destruction
I got scabs on my dick because of my erection
I'm gonna cut my skin until it starts to bleed
I'm gonna beat my dick to a sleazy magazine

I can't get enough of the pain I inflict
Scars on my body, scabs on my dick
I can't get enough of the pain that I inflict
Scars on my body, scabs on my dick
