You say you don't fuck, but I can suck your tit
Your always teasing me, and I'm damn sick of it
My fingers up your crack, but that ain't shit
All I get from you is stink finger clit

Stink finger clit
Stink finger clit
Stink finger clit

I got you in the corner, 3 fingers in your cunt
I wanna fuck and suck you, but you say you won't
You're always playing with me, but you won't suck my
dick
All I get from you is stink finger clit

Stink finger clit

Stink finger clit
Stink finger clit

Well, I got you in the corner, 3 fingers in your cunt
I wanna fuck and suck you, but you say you won't
You're always playing with me, but you won't suck my
dick
All I get from you is stink finger clit

Stink finger clit
