Welcome to my world, a battle field blitz  
It's as real as it seems, as bloody as it gets

(Hut 2! 3! 4! Hut 2! 3! 4! Hut 2! 3! 4! Hut 2! 3! 4!)

We need more guns to fight our war  
And people to defend our battle score

Violence now, fight fire with fire  
An eye for an eye, a bloodbath high  
Kill or be killed, machine gun ricochet  
Assassinate the president of the United States  
Assassinate the president of the United States

Don't listen to the brainwashing of our times  
Counter attack with a gun and a knife

(Hut 2! 3! 4! Hut 2! 3! 4! Hut 2! 3! 4! Hut 2! 3! 4!)

Don't be afraid to fight the power  
Kill with the quickness every hour

Violence now, fight fire with fire  
An eye for an eye, a bloodbath high  
Kill or be killed, machine gun ricochet  
Assassinate the president of the United States

Assassinate the president of the United States

Stand up and shout "Violence now!"  
Government puppets must be brought down

(Hut 2! 3! 4! Hut 2! 3! 4! Hut 2! 3! 4! Hut 2! 3! 4!)

You can do it all in another way  
But always remember violence pays

Violence now, fight fire with fire  
An eye for an eye, a bloodbath high  
Kill or be killed, machine gun ricochet  
Assassinate the president of the United States  
(Violence now! Violence now!)

Assassinate the president of the United States  
(Violence now! Violence now!)  
Assassinate the president of the United States  
(Violence now! Violence now!)
