We walked along and talked along 'till we  
To the levellest ground  
Then I picked up a stick of wood and I  
Knocked the Boston bitch down

Watch me kill, watch me kill the Boston girl

She fell upon her begging knees crying Lord  
Have mercy on me  
Oh, GG don't murder me now for I'm  
I'm not prepared to die, but

Watch me kill, watch me kill the Boston girl

Little attention did I pay,  
I beat her more and more  
I beat her 'till the blood gushed out,  
Then I raped that bleeding whore, yeah

Watch me kill, watch me kill the Boston girl

We walked along and talked along 'till we came  
To the levellest ground  
Then I picked up a stick of wood and I  
Knocked the Boston bitch down

Watch me kill, watch me kill the Boston girl  
Watch me kill, watch me kill the Boston girl
