[CHORUS]

Forget me I'm like (poison)
We might not last forever cause I'm (poison)
So we can not be together cause I'm (poison)
My sting gives pain and pleasure yeah I'm (poison)
I'm like (poison)

[BRIDGE]

I'm a scorpin king
I said I'm a scorpin king
Do you really wanna feel my
Really wanna feel my
Really wanna feel my sting (sting) x2

When she get vex we make up to our make up song
Wake up with nothing on
Baby got back too love her mind listen too
Her like I'm playing my eye tunes
She love my eyes, she love my lips
She got me cuffed like police cause she know I'm da

And I'm saying a lot
Just a kid from the block
Kinda ghetto kinda hood but don't think that I'm pac
Got my back always tell me ghoodfellaz bout to rise
And she the weather girl giving the forecast no lies
We spoppin bottles of wine, six in the morning two
whatever time

[B-TEK]

She always wanna be there for me
Wash cook and clean up for me
If I got a problem she'll help me
That's the whole f*kin reason why I call her my baby
She never shady, sometimes crazy
When I take her out in public she's my lady latly
She the only thing that matter to me
I'm the only thing that matter to her
She said
Leaving me is her only fear
That's why I hate it when I bring my baby beau to tears
She be acting like I don't care
I do care baby I swear
Whenever I'm in trouble she got my back
She don't always be calling me like where you at
And when I get home food cooked I like that
But girl to you I'm poison you know that aight?

[CHORUS]

Forget me I'm like (poison)
We might not last forever cause I'm (poison)
So we can not be together cause I'm (poison)
My sting gives pain and pleasure yeah I'm (poison)
I'm like (poison)

[BRIDGE]

I'm a scorpion king
I said I'm a scorpion king
Do you really wanna feel my
Really wanna feel my

Really wanna feel my sting (sting) x2
