[B-TEK]

Let's go to the studio  
And make a little bit of money of the things we do  
There's only two of us cayuse we don't need a crew  
Just let us loose  
And we'll do what we're born to do  
Like a hustler on the streets  
I'm a hustler on my beats  
Fit a quick sixrteen and get paid for my heat  
Tthis here is a great team me and J-T-P  
Any haters wanna hate  
Then let them hate on me  
Cause the feeling that I feel  
When I step up to the stage  
And the love that I get  
When they screaming my name  
It#'s amazing  
Yo there ain't no feeling the same  
Sh\*t is crazy  
I can feel it pump through my veins,  
We in the studio just trying to make money  
This here is the only way I wanna make money  
Don't wanna f\*k about with no drug money  
And hopefully we still get rich

[CHORUS]

Lets Go!  
To the studio  
IO-IO-IO-IO  
And make money, make money make money make  
money MAKE

Lets Go!  
To the studio  
IO-IO-IO-IO

[J.T.P]

Hit me with a little bit of snare  
Turn the bass up  
Yeah it's J.T.P aka H.U.P (HUP)  
Studio time and B just done picked me from the spot  
Yea I'm never late just fashi0onably on time (YUP)  
Chat sh\*t while we making hits in minutes  
They can hate and bitch but can't kill the spirit  
In the studio is where the fire burns like a phoenix  
They might see it as a fantasy but it's life  
No really  
From the slum to the city  
Mall to Picadilly  
Chat about macca but man's is slow if you can't here  
me  
Just doing my thing like the Skepts and the Dizee's  
Chip's and teh Sway's  
Ghoodfellaz for life  
Yo our future so bright people gotta wear shades cuz  
So on a hype you would think it was a rave cuz  
In the studio or motherf\*kin stage us  
Is killing it out, Yo we're killing it  
Let's GO!

[CHORUS]

Lets Go!  
To the studio  
IO-IO-IO-IO  
And make money, make money make money make  
money MAKE  
Lets Go!  
To the studio  
IO-IO-IO-IO

Lets Go!  
To the studio  
IO-IO-IO-IO
