To the sound of the monstrance clock Here is cleansed assembled flock Black candles burn all night tonight

To the sound of the monstrance clock Here is cleansed assembled flock Black candles burn on my shrine

As the parish sizes smoke And just lead you revealed of To the haunting sound of the monstrance clock Singing:

Chorus:

Come together, together as a one Come together for LuciferÂ's son

To the sound of the end of day Mesmerized the assemble sway Black candles burn on my shrine Hypnotizing lords of realm Paralyzing Wentagram And the eerie sound of the monstrance clock Singing

Chorus:

Come together, together as a one Come together for LuciferÂ's son Come together, together as a one Come together for LuciferÂ's son Come together, together as a one Come together for LuciferÂ's son Come together, together as a one Come together, together as a one
