Clad in cloak
A secretive nun
Bearing the old ones' bastard son
Varucose phallos
Obsessed and poised her
Cast a veil of dusk upon the cloister

Prime mover
Maternal slave
With child of her grave

Mother
Filth in her womb
Father
Waiting in tomb

Selected heir
Machinery insect
Bloodline of the dark architect
Toxic blood
Of not known birth
Antichrist will walk the earth

Prime mover
Maternal slave
With child of her grave
