I learned that sorry sing a song  
We'll wait 'til for the chosen one  
A charming monkey holds your sweatshirt  
And tell my sweetheart that I miss her.

Can you see the world is burning?  
While my children angels hurting.  
What is love? I can't remember.  
Wanted/wast it your kiss in mid november.

Boy, don't be afraid, silly girls they make mistakes,  
But I will wait for my super hero! she will come, my  
super hero!  
Oh girl, don't walk away. silly boys they make mistakes,  
But I will wait for my super hero! she will come, my  
super hero!

You're an angel high above  
Flying trough the dessert town  
Leave your love in an (?) river  
Behind closed doors, I hear the/them whisper.

In my dream I saw you sweat!  
I'm cold and grey I really need to...  
I'll kill my friend, and I'm a sinner  
I lost my love in mid december.

Boy, don't be afraid, silly girls they make mistakes,  
But I will wait for my super hero! she will come, my  
super hero!  
Oh girl, don't walk away. silly boys they make mistakes,  
But I will wait for my super hero! she will come, my  
super hero!

She will come. (she will come)  
She will come (she will come)  
She will come (she will come)  
She will come (my super hero)  
She will come  
She will come (my super hero)  
She will come  
She will come (my super hero)

She will come  
She will come (my super hero)  
She will come  
She will come  
She will come (my super hero)  
She will come (she will come)

Boy, don't be afraid, silly girls they make mistakes,  
But I will wait for my super hero! she will come, my  
super hero!  
Oh girl, don't walk away. silly boys they make mistakes,  
But I will wait for my super hero! she will come, my  
super hero!
